

# MATCHES REGULATIONS CANADIAN CONSUMER PRODUCT SAFETY ACT (CCPSA)

# F20

METHOD

**TO CANADIAN CUSTOMERS**

**DATE: JANUARY 2, 2020**

**RE: SOR/2016-182**

in compliance with the Canadian Consumer Product Safety Act and Matches Regulations, found at <https://laws-lois.justice.gc.ca/eng/regulations/SOR-2016-182>, our factory in Jaffrey, New Hampshire, USA, certifies that we have produced and tested the matches pursuant to the standard and using the F-20 Method effective 8/18/2014. This is the most current F20 Method available as of 1/1/2020.

All Test Reports and Documents will be made available to the Consumer Product Safety Program (CPSP) upon request, within the required 15-day response time.
